

Dear Parent/Guardian,

We are pleased to inform you that Bayside High School is making the Clearinghouse Calculator, a web-based interactive tool, available to all Bayside High School student-athletes and their parents/guardians **free of charge**.

If your child has aspirations of competing athletically as a freshman at an NCAA Division I or Division II school, they must meet NCAA Initial-Eligibility minimum standards, including core course GPA and SAT/ACT test score requirements. The Clearinghouse Calculator is an innovative tool that allows you to easily track your son or daughter's progress towards meeting these requirements, beginning as soon as their first semester of their freshman year. **IT IS IMPORTANT TO NOTE THAT YOUR USE OF THE CLEARINGHOUSE CALCULATOR IS NOT A SUBSTITUTE FOR ACTUALLY REGISTERING WITH THE NCAA ELIGIBILITY CENTER.** You will be able to learn more about the NCAA Eligibility Center in the Important Topics option in your Clearinghouse Calculator account.

To activate your child's Clearinghouse Calculator membership, follow these simple steps:

- 1 – Go to www.clearinghousecalculator.org

The Clearinghouse Calculator incorporates Bayside High School's NCAA recognized core courses into the online forms, calculates BOTH Division I and Division II core course GPA, automatically incorporates weighted grades into calculations and tracks course requirements for BOTH Division I and Division II. Your son or daughter's core course information is saved for the duration of their high school career.

Bayside High School is proud to make this innovative software available to you free of charge. We believe the Clearinghouse Calculator will be a very useful academic tool for you and your student-athlete.

Sincerely,
